International Journal of Social Science & Linguistics

International Journal of Social Science & Linguistics (IJSSL) is a Peer Reviewed/Refereed Journal published by Society for Social Action & Research, Karuna Publishing Cottage, Gujarat, & academicians of different colleges and University. This research journal is devoted to the study of social science, management and language. The basic objective of the journal is to examine diverse aspects of the rapid changes taking place in the aforesaid areas of our society. The journal contains research papers, research notes, specific article and book review covering a wide spectrum and encompassing a broad canvas of social science, management & language. It will lend a new perspective and dimension, which will to explore the new ideas regarding the current issues. The second most important objective of the journal is to review current research of the young researchers, teachers and academicians of the universities, colleges and institutions. IJSSL welcomes contributions from other national and international scholars and professionals concerned with the recent changes in the various academic fields. IJSSL will be regularly published in the quarterly and will be fully peer referred.
